

Not Under the Box by Radek Hoffman - Video - DOWNLOAD

This is not just another card trick - it's a small miracle that will make your audience question reality.

During this routine, you will convince your spectator that they saw something that doesn't exist and make them forget what they actually witnessed.

It's an intriguing combination of mentalism and card magic, featuring an unexpected kicker that will blow their minds.

Not Under the Box is a fresh take on the famous "Card Under the Box" trick, now with a unique mentalism flavor.

It's quick, direct, and easy to perform - but most importantly, it's powerful and creates that unforgettable "What the F...?" feeling.

Forget about boring card mentalism tricks - this isn't just another card trick.

It's a unique experience your audience will remember for a long time.

Why you'll love **"Not Under the Box"**:

- Super easy to perform - perfect for all skill levels
- Instant reset - ready for your next group in seconds
- DIY gimmick - build it in under 10 minutes
- Multi-phase routine - multiple mind-blowing moments
- Versatile - kills in close-up, parlor, and stage shows

Create unforgettable moments. Deliver pure astonishment. Perform **"Not Under the Box."** *"Under the box is a great twist on a classic where you make the people wonder between reality and illusion. A very well scripted routine very simple to perform!"*

- **Luca Volpe**

"A great example of how to turn a good card trick into a strong engaging piece of mentalism"

- **Marc Paul**

"With Not Under the Box, Radek Hoffman hands you the keys to looking like a world-class misdirection artist - all while barely lifting a finger."

- Jose Ahonen
