

Everything and Nothing by Landon Stark - eBook - DOWNLOAD

A book for magicians who want **more than just moves**, they **want** moments.

In **Everything and Nothing**, Landon Stark blends sharp technique with bold creativity, delivering 25 original routines, sleights, and visual effects designed for real-world impact. This isn't just a collection - it's a curated arsenal for modern magicians who want their magic to hit hard and leave a mark.

From abstract concepts to brutal visuals, you'll find smooth switches, deceptive culls, visual transformations, and Stark's signature style pulsing through every page.
