

Chromatic Aberration - Triumph Idea by Brandon Ellis and 3 Monkeys Publishing - Video - DOWNLOAD

Chromatic Aberration is the most visual color-changing deck routine you can learn - and the best part? No gimmicks. No magnets. No wires. No flaps. Just a regular deck of cards and your own hands.

In this detailed 28-minute tutorial, Brandon teaches you not only the basic routine but also several powerful variations built around one simple, yet mind-blowing concept.

What You Will Learn

Basic Routine: You introduce a red deck, have a card selected and returned to the center. With just a simple dribble, every card instantly changes to blue - except the selected card. Best of all? The deck is fully examinable afterwards!

Triumph Routine: A crazy, unexpected version of the classic Triumph, using the same color-changing concept for maximum impact.

Ultra-Detailed Explanations

Brandon takes you through the moves step-by-step, slowly and clearly, making it easy for anyone to follow and master.

If you're looking for a powerful, simple, and fully examinable color-changing deck routine, **Chromatic Aberration** is the perfect choice.
