COLD READING SECRETS OF THE PLATFORM MEDIUMS & STAGE CLAIRVOYANTS

The Ultimate A-Z Masterwork of Psychic-Style Performance & Mentalism

By JONATHAN ROYLE - (Formerly Known as Alex-Le-Roy)

If you are serious about mastering the art of cold reading...

If you want to understand how platform mediums & stage Clairvoyant's command rooms...

If you want to create readings that feel personal, powerful, and unforgettable...

Then this is the book you've been waiting for.

This is not a slim booklet.

This is not recycled theory.

This is not armchair speculation.

This is a monumental **906 large-format A4 pages** containing a staggering **77,595 words** - making it by far the most comprehensive book ever written on cold reading, psychic-style performance, and mediumship theatre.

Written by Someone Who Actually Did It

Unlike many books written from a purely magician's or academic perspective, this work comes from an author who spent many years working publicly as a Platform Medium and Stage Clairvoyant.

Not theory.

Not guesswork.

Real-world experience.

Decades of:

- One-to-one psychic-style readings
- Public demonstrations
- Platform mediumship events
- Stage clairvoyance performances
- Media appearances and psychic experiments

The author was praised by the international publication Psychic News, who described him as:

"The New Uri Geller & Doris Stokes Rolled into One."

That reputation was built in front of real audiences - not just behind a writing desk.

What Makes This Book Different?

This is not just a collection of lines.

It is a complete system.

Inside these 906 A4 pages you will discover:

- The full psychology behind why cold reading works
- How belief is co-created between performer and audience
- The exact structure of a powerful reading
- Barnum & Forer statement construction
- Rainbow ruses and dual-trait framing
- Shot gunning techniques for stage work
- Fishing without asking
- Handling misses and turning them into hits
- Mediumship-style language patterns
- Spirit roll-in structures
- Emotional anchoring and identity reinforcement
- Reading the past, present and future safely
- Stage management and group control
- Ethical performance frameworks

- Practice drills and phrase banks
- How to Give Tarot Readings from the Stage to Groups
- How to Give Psychometry Readings from the Stage
- Powerful Insider Professional techniques so you can never fail
- Complete sample readings
- A complete step by step routined Stage Show Structure
- An A-Z guide to psychic-style reading success
- How to combine Cold Reading techniques with Magic & Mentalism
- Approaches for the Ultimate Mentalism Q & A style Act
- Plus Much, Much More than you could ever imagine!

This is not a "trick book."

It is a blueprint for creating the experience of insight.

Built for the Real World

Whether you are:

- A mentalist
- A psychic-style performer
- A bizarre magician
- A stage entertainer
- A reader wanting to refine your structure
- Or a student of psychological influence

This book gives you the tools to:

- Create emotionally powerful readings
- Command authority without arrogance
- Handle sceptics and believers alike
- Leave people feeling understood and uplifted
- Perform responsibly and ethically

It teaches not just what to say - but how to say it.

Not just technique - but presence.

Not just lines - but structure, psychology, and performance control.

(Review by The Legend That is Richard Webster International Psychic Author)

I haven't read such an enthralling book in a long time. It starts off with a comprehensive section on the methods of fake spirit mediums. Alex/Jonathan explains his full evening presentation in great detail. This section alone makes the book well worth its price.

Alex goes on to include sections on Tarot readings, navel reading, navel healing, psychic stunts that appear genuine, the astrologer's dream, how to determine people's horoscope signs during a show, and past life regressions.

Everything is practical, easy to perform, and explained well.

This book isn't for everyone, but is essential reading if you're remotely interested in the world of the psychic. Once I started reading it, I couldn't put it down!

RICHARD WEBSTER - December 2015.

Jonathan Royle aka Alex Smith is certainly a person who has 'been there, done that'. From live shows, TV performances, and training courses, Alex has gained an immense amount of experience and information.

All of this information and experience is crammed into his latest release.

With Alex, what you see is what you get. And this rings true also with his instructional material.

There are no frills or unnecessary garnish, just good solid advice, and this release is full of good solid advice.

If you have any interest at all in the world of the psychic performer, then this book will give you the foundation stones and the building blocks you need to go out there and do it for yourself." - PAUL VOODINI
