

No Explanation by Nikolas Mavresis - Video - DOWNLOAD

I'm finally releasing the BIGGEST fooler I have EVER created with an ordinary deck of cards...

and trust me... you need to SEE IT to believe it.

This is the effect that has fooled some of the biggest names in magic...

"**No Explanation**" is one of my most treasured secrets, inspired by the brilliance of Dai Vernon.

No hype.

No fluff.

Just watch the performance... and see for yourself what this system can really do.

And there's more...

My good friend John Carey joins me for an in-depth walkthrough packed with:

- Tips
- Ideas
- Subtleties
- Real-world thinking

Everything you need to turn this into a true REPUTATION-MAKER.
