A New Standard in Coin Magic. No Gimmicks. Just Pure Sleight of Hand.

A classic in magic just got a mind-blowing facelift!

Get ready to transform the way you perform coin magic with One Fly by Pieter Hofstra. This exclusive instructional download reveals a collection of insanely visual coin techniques and routines that look like CGI brought to life. But there's no camera trickery, no special gimmicks, and nowhere to hide. Just you, a few coins, and the power to create the impossible right in front of your spectators' eyes.

More than just a collection of tricks, One Fly introduces powerful new techniques that can elevate the coin magic you already perform. Master these innovative sleights, and you'll discover new ways to make coins appear, vanish, and move in ways your audience will struggle to believe.

WHAT YOU'LL LEARN

Two New Coin Palms - Expand your sleight-of-hand arsenal with innovative techniques.

Visual Productions - Make coins appear in ways that seem to defy reality.

Impossible Vanishes - Make coins disappear right before your spectators' eyes.

Three Incredible Routines - Learn powerful routines designed to create unforgettable magical moments, including One Fly, Pieter Hofstra's closely guarded signature effect.

Bonus Material & More - Explore additional techniques and insights to take your coin magic even further.

OVER AN HOUR OF EXPERT INSTRUCTION

With detailed, expert-level teaching and a first-person POV perspective, you'll get an up-close look at the techniques that make these effects possible. Whether you're just beginning your journey into coin magic or you're an experienced magician looking to push your skills to the next level, there's something here to challenge, inspire, and elevate your performances.

Be prepared to put in the practice. These techniques demand dedication,

precision, and a little knuckle-busting work. But when everything clicks, the payoff is worth it: astonishing visual magic that happens in your own hands.

DON'T JUST PERFORM COIN MAGIC. REDEFINE IT.

One Fly is 100% gimmickless, putting the focus where it belongs: on your skill, creativity, and ability to make the impossible look effortless.

Get your coins ready. Your spectators' jaws aren't ready for what's coming.
