

Fast 'N' Genius Deck by So Magic - Trick

Each of the 55 cards in this deck has a unique full color illustration. Missing from this deck are numbers and standard pips (Spade, Heart, Diamond and Club), this allows you to perform all the classic card routines for kids. This deck has worldwide appeal since it has no printed words on the cards. The high quality and funny illustrations combined with your imagination will allow you to produce countless stories for your favorite routines.

Featuring traditional Rider backs in red, these decks are made in the USA at The United States Playing Card Company on quality stock with a premium finish.

NOTE: *Effects demonstrated in the video require some cards found in the FAKE 'N' GENIOUS deck, which is sold separately.*
