No Sleight Of Hand Required!

An amazing deck of Bicycle cards that allows you to do a miracle - yet is EASY TO DO.

Effect

Imagine removing a strange deck of cards with no faces and no backs - the whole deck is freely shown blank. Suddenly one blank card develops a face and then a back. Then, the entire deck instantly has faces and backs. One quick cut of the cards and they are all blank again. It looks amazing. The faces and backs develop and disappear in a stunning manner!
