

Mysterious Ring

The magician shows a ring and a chain and has them checked. He takes them back and magically the ring will instantly tie on the chain. The audience won't be able to repeat the trick!

- Objects are made of steel and can be controlled.
- Very easy to carry, and it can be worn as a normal chain with pendant.
- The ring has a diameter of 5 cm and a thickness of 3 mm. The chain closed on itself, is 35 cm long.
