Jumbo Invisible Deck Bicycle (Red) - Trick

Just like the Poker size Invisible Deck only JUMBO!

An amazing deck of Bicycle cards that allows you to do a multitude of miracles - yet is EASY TO DO.

Effect

Imagine:

- having an invisible deck of cards become visible and proving it by also having the freely selected invisible card instantly become visible as well
- having a spectator call a friend who eerily names the one card you have turned over in the deck prior to the call

Or, many, many other uses.
