

Art of Levitation Arthur Tracz, DVD

With the techniques and methods explained on the Art of Levitation, you can learn how to levitate. Not just small objects, even yourself! This broadcast quality DVD teaches you how to create objects to float in space, defying the law of gravity.

You'll learn the basics of the Art of Levitation, and beyond. Magician Arthur Tracz will teach you, step-by-step, the inner-workings of these incredible tricks, many of them modern-day classics of magic. What's more, Tracz has given each of these effects an original twist, or original presentation, breathing new life into them!

On this DVD you will learn how to:

- Produce a levitating finger ring!
- Suspect a levitating vase on the edge of a table!
- Spin a card around your body!
- Cause a candle to float the back even while it is isolated in a white glass!
- Float knives off the table with no special device or preparation!
- Levitate a levitating dollar bill and produce a full bearing form of a real bank note!

Additionally, Tracz has developed original material specifically for this DVD, including eye-popping visual tricks, as well as unique professional presentations. Several of these mini-tricks are worth the price of the DVD alone, and make the Art of Levitation a delight for both beginners and professionals.
