

## Lit match producer

The magician shows his hand empty and soon after, from under the collar of his jacket, he pulls out a lit match! Here's a handy accessory that allows this classic appearance.

- The gimmick is usable for many times and measure 3.2 cm (l) x 0.6 (h) x 2 (w).
- It is perfect to light in an original way, flash paper, flash cotton, wire lightning, cigarettes, candles, etc.
- We provide four gimmicks. Use only one, or more during your routine. Matches are not included.
