

## Surprising Girls

The magician shows five cards all displaying beautiful sexy girls. Through a simple selection process he shows how one of them can be randomly picked for a hypothetical date. But when a spectator selects one, unexpectedly, a really fat girl in a sexy pose appears from nowhere... for a real surprise ending!

- This set of cards will allow you to perform two possible different endings.
- The poker size cards supplied are good quality, plastic coated, and printed in full color.
- A great effect that helps to "break the ice" with your audience, and is sure to get them laughing.
