

## Sword Through Neck Deluxe - Wood

Leave everybody bated breath! Take a wooden collar, place a balloon in it, pass a sharp sword through the collar to pop the balloon and prove the sword is stiff and it is really going through the collar.

Now place the collar around the neck of your spectators and make the sword go through his neck... **FROM SIDE TO SIDE...**

This version of the SWORD THOURGH NECK presents a wooden collar, a simple detail which makes the difference.

In fact, the item looks more ancient and is ideal for performances in costume.

- The items is supplied complete with the collar, the sword and its case.
