

## Hankey to Parasol by Mr. Magic - Trick

This is an extremely colorful visual effect of transformation, suitable for any type of show.

**Effect:** A clear net tube and three different colored hankies are displayed by the performer. He pushes the hankies inside the tube. They are clearly visible inside the tube. the tube is then tossed in the air and caught. Finally the performer pulls out the hankie from the tube. Surprisingly the hankies have transformed into a Parasol! The net tube is seen to be empty!
