

Medallion Playing Cards by theory11

Uncover a modern treasure. Updated with enhanced embossing and a new color scheme. Designed in Paris by JC Desevre. Made in the USA.

Touch. Feel. Imagine. Discover. Medallion Playing Cards.

The original version was a fan favorite. This new edition is now available with enhanced embossing. A blend of sheer elegance and striking beauty. A timeless object infused with supreme luxury from the Victorian era.

Ultra-lux playing cards in deep brown and gold foil.

The highest quality materials were sought out which resulted in one of the finest card creations. The deep brown tuck case features ultra-lux matte paper. It's covered top to bottom in a striking gold foil.

The design is accented by embossed stitch elements in the front and sealed with our signature precision printed gold foil sticker seal.
