

Citizen Playing Cards by theory11

Citizen Playing Cards are Made in the USA using FSC-certified paper derived from sustainable forests.

Breathtaking Design

INTRICATE ART, INSIDE & OUT

Citizens are the most intricate, breathtaking playing cards Theory11 has ever produced. Illustrated in America by Kevin Cantrell, every aspect was handcrafted with relentless, unrivaled attention to detail.

For the first time, Theory11 combined gold foil, hot stamping, and bronze foil to create a box design that's eye catching, elegant, and sophisticated.

Attention to Detail

NO DETAIL WAS OVERLOOKED

Even the *inside* of the box has a breathtaking, intricate guilloche pattern. The Joker and back design bear the Latin phrase "Audentes Fortuna Iuvat." Fortune favors the brave. The Ace of Spades features an iconic Citizen "C" emblem.
