

Sitta Card Blendo - K of clubs

The magician asks a spectator to select a card. He then tries to find it, but for three times fails completely. He then throws the wrong cards and the deck into a bag. The cards then disappear and the bag magically changes into a giant silk with the chosen card on it.

A simple but astounding trick!

- The silk measure about 60 x 60 cm (24" x 24").
- This is an original Alberto Sitta item and the quality is second to none.
- You will receive the special silk and the instructions. The playing cards are not supplied as you can simply use your own.

In the video the effect is shown, but the actual item you will receive is shown in the photo.
