

Bicycle - Poker deck - Brown back

Here, for you, the Bicycle deck brown back.

The Di Fatta Company has the **WORLD EXCLUSIVE** of this deck with USPC (the most famous card factory in the world).

You can use these cards for color changing effects, but you can also use them as an ordinary deck. Naturally also the case is brown.

- The quality of the cards is usual top quality of Bicycle decks.
- The deck is poker size and is enriched by the addition of three special cards: one with a drooled 3 of Spades and the other two, with blurry eight of spades and 5 of clubs.
