

Palming Coin Set (U.S. Half design /12 piece) by Premium Magic - Trick

PERFECT for Misers Dream or ANY style of coin manipulation. Use to perform close up coin magic, or stage coin routines. These "easy to palm" coins are replicas of a U.S. Half Dollars and are very thin yet the perfect weight to palm. You can palm a dozen or more of these coins with ease. They look and sound like actual coins when handled or dropped into metal containers.
