

Chinese Linking Rings - Chromed - Cm 30 (12 inches)

Eight independent chrome rings are magically chained together and unchained again, right in front of the audience's eyes!

- The rings are 7mm thick (0.27 inches)
- Well-crafted with excellent audio effects when dropped into one another.
- Comes supplied in a solid colorful box.

Note: the set consists of a chain of 3, a chain of 2, two single rings and the key. The diameter of the section of the rings is about 7 mm.
