

## **DKNG (Red Wheel) Playing Cards by Art of Play**

Created in partnership with California based creative studio, DKNG, Red Wheel playing cards has been one of the most anticipated collaborations to date. DKNG, founded in 2005, helps some of the world's foremost artists and entertainers inspire others through illustration and design.

The Red Wheel deck is as iconic as it is fresh - taking inspiration from the classic Bicycle Rider Back but with an all new updated look - clean design meets creative personality in each card. Introduce Red Wheel playing cards - a new classic to your collection.

Featuring 54 custom illustrated playing cards printed by the US Playing Card Co. and housed inside a foil-stamped and embossed tuck case.
