

## TACTICAL (Red) by Magicworld - Trick

**TAC-TIC-AL** is your new favorite opener.

Imagine taking out a small box of mints, giving them a shake and, in the blink of an eye, they become a REAL deck of cards! It's fast, flashy, and incredibly visual. Best bit? The card box can be fully examined while you perform your favorite routine. There's nothing to find.

The MagicWorld Creative Team has hand-crafted each **TAC-TIC-AL** gimmick, working it professionally to ensure it's ready when you are. This is Instagram magic for the camera and a real-world worker!

### **TAC-TIC-AL**

- **INSTANTLY RESETS**
- **COMES FULLY CONSTRUCTED**
- **WITH MULTIPLE HANDLINGS AND FULL VIDEO INSTRUCTIONS**
- **SPARES INCLUDED**
- **PERFECT FOR CLOSE-UP, CABARET AND CAMERA**
- **(AND SHHH...) IT'S REALLY EASY TO DO!**

BONUS: Also included is another amazing new gimmick to visually turn a miniature deck into a regular deck of cards. You'll love performing it!
