

MAGIKUB by Federico Poeymiro - Trick

Do you think you have seen everything regarding a Rubik's Cube?

Could you imagine putting the pieces together in just one second?

With **MAGIKUB**, you can do exactly that - solve the puzzle in one second!! In the blink of an eye, each side is a different solid color! Impossible!

A great quality magical effect that will leave your audience speechless!

Federico Poeymiró has been studying this puzzle for years in order to create a revolutionary solving of Rubik's Cube.

Includes a tutorial video with all details and handling.

"There are two paths with the Rubik's Cube, the skill or the magic... this idea will lead you into the magic."

- **MIGUEL ANGEL GEA**

"There are things that seem impossible, the cube is one them. It's fantastic"

- **RICARDO "Fantasio" ROUCAU**

"One of the best visual effects. Amazing and smart magic."

- **ADRIAN GUERRA (World Champion 1994)**
