

## Control (Gimmicks and Online Instructions) by Darryl Vanamburg - DVD

*Con-trol (k/uh/n'trol/) Noun. The power to directly influence objects or the course of events...*

From the brilliant mind of Darryl Vanamburg, comes a deceptively simple system that gives you the power to break the laws of physics!

With **CONTROL**, you harness the ability to manipulate small everyday objects in new and impossible ways! Penetrate solid through solid, transpose an object from one location to another, or even effortlessly move an object without touching it, using only your force of will! It's a complete arsenal of routines, ideas, and gimmicks to propel your magic forward and absolutely stun your spectators!

What you get with **CONTROL**:

- 9+ effects just to get you started!
- Precision-crafted gimmicks that give you the flexibility to control a wide variety of objects
- Deceptive routines and effects crafted by Gregory Wilson and David Gripenwaldt
- Over 2 hours of expert instruction!
- Uncanny ability to telekinetically manipulate bills, straws, cards, cigarettes, cups, rocks, pens, and so much more!
- One of the tools in your arsenal was inspired by Nicholas Nights's classic Enigma gimmick.

Harness your inner power, with **CONTROL**.
