

OX Bender™ (Gimmick and Online Instructions) by Menny Lindenfeld - Trick

"Menny is a great creator, with incredible attention to detail."

- DAVID BLAINE

"I was amazed by Menny Lindenfeld's coin bending demonstration. I was shocked how he bent my own signed coin. I don't know how he does it. It's impressive."

- URI GELLER

Bend borrowed, signed coins like never before with the **WORLDS FIRST SINGLE-HANDED COIN BENDER!**

The **OX BENDER™** by Menny Lindenfeld is a custom-made, ingenious device, engineered for **BENDING COINS EASILY** with **ONLY ONE HAND!** It's actually **EASIER** to bend coins with the **OX Bender™** than with any other coin Bender!

With one hand free, you'll be more relaxed and have effortless, natural control over your coin bends. This means you will need very little to no misdirection during the crucial moment.

The gimmick is fully concealed and requires only a small, natural hand-movement to **EASILY BEND COINS LIKE BUTTER.**

Use the **OX BENDER™** anywhere, in any situation and **FULLY SURROUNDED.** Use it close up, walk-around, on the street, on stage and even on TV. The bending action is **100% INVISIBLE** and done right in-their-face! But they'll never know or see anything! You can even bend coins while seated with your hands casually resting on the table.

The **OX BENDER™** leaves no evidence behind, producing spotless bends with no marks or scratches on the coin. Weighing only 26 grams (0.057 lb.) makes the **OX BENDER™** the **WORLDS MOST LIGHTWEIGHT** coin bender. A hassle-free gimmick you'll easily carry with you everywhere you go!

The **OX BENDER™** is more than just a coin bender -- **BEND** signed Coins, Spoons, Keys and more!!

"Ox-Bender is an amazing product. The design of this is incredible. The ability to

secretly bend a coin in one hand without any effort is a huge step forward and I believe this product will definitely become a favorite of magicians and mentalists alike. This is an incredible device that is extremely well made and something everybody is going to want to add to their repertoire."

- **PAUL ROMHANY** - *Vanish Magazine*, (vanishmagazine.com)

"Finally, you can do a coin bend with only one hand - without being an actual superhero."

- **GREGORY WILSON**

"Watching Menny Lindenfeld bend metal is like watching real magic. Ox Bender is serious artillery for the serious mentalist -- it's deceptive, practical, and powerful."

- **DOUG McKENZIE**

"If I told you [that you] could bend signed coins using just one hand, you wouldn't believe it. But it's true. When you try it the first time, you won't believe you're actually doing it. Menny Lindenfeld is an ingenious inventor and one of the top thinkers in the field of metal bending. His Ox Bender is a clever James Bond-like device you will love using. It's amazing and something I will use. Recommended."

- **TIM TRONO**

"I can't see how someone can top this. If there was a contest in magic inventions, this one would get the prize!!!"

- **TITANAS**

"The Ox Bender is my favorite coin bender. I love that I can bend a quarter with one hand."

- **RAN PINK**
