

Mutation (DVD and Gimmicks) by Adam Cooper - DVD

From the creative mind of Adam Cooper comes **Mutation**. This is an incredible new and practical method for the color changing deck.

Adam has created an ingenious method that allows you to show a complete deck of cards to be one color - and just seconds later, the back of each and every card changes!

Mutation comes complete with an incredibly clever custom-made gimmick deck PLUS an instructional DVD with multiple handlings and routines. These take this effect in different directions guaranteed to impress. See the trailer for a great mentalism effect as well!

Mutation is so easy to do: even a beginner could do it with a few minutes of practice.
