

Card College Volume 2 by Roberto Giobbi - Book

Picking up where Volume One left off, Volume Two teaches such classic and invaluable sleights as the palm, the pass, the glimpse, false counts and much more. Volume Two concludes with a chapter on psychology, misdirection and presentation that's among the best treatments ever done on these important subjects. Throughout, Mr. Giobbi includes original ideas and refinements, guaranteeing every reader, no matter how experienced, fresh techniques and insights. Some of the topics covered in Volume Two include:

- **The Glimpse**
- **Card Reverses**
- **The Crimp**
- **Palming**
- **False Cuts**
- **False Counts**
- **The Pass**
- **The Overhand Shuffle**
- **Flourishes**
- **The Double Turnover**
- **Misdirection**
- **Psychology**
- **Routining**
- **Presentation**
