

## **Eyepad (Gimmicks and Online Instructions) by Wayne Dobson - Trick**

### **A stunning, unique "Think of a Card" Trick**

A huge hit at Magic Live 2017

- The spectator thinks of any card (NO FORCE)
- You introduce your (spoof) **EyePad**
- What follows is 5 minutes of solid entertainment and a comedy of errors as various pages of the **EyePad** are turned
- Just when the spectator thinks you've messed up, BOOM!
- The one single card that is in full view on the last page is shown to be the spectator's thought-of card!

### **Unique Points to Remember**

- The spectator is never asked to reveal the card until the very end!
- Very easy to perform
- It comes with a very high quality printed "**EyePad**"
- Ideal for cabaret, theater, and TV
- Great for magicians, comperes, and children's entertainers
- A great opener, middle or closer!

### **Who has EyePad!**
