

Needle Balloon Lubricant Wand Silver Tips by Bazar de Magia - Trick

It's the perfect sleeve for the Needle Through Balloon. Inside the wand there is some lubricant so the needle is always ready to be used. You can easily add more lubricant when this is over.

The Needle through balloon is not included.

Needle Balloon Lubricant Wand is made of high quality plastic and looks like a normal Magic Wand.

Resistent Plastic Bag protector and instructions included.

Dimensions Approximately 18"x 0.5" / 45cm x 1.3 cm
