

Brainwave Deck Bicycle (Blue Case) - Trick

Easy To DO!

No Sleight Of Hand Required!

An amazing deck of Bicycle cards that allows you to do a miracle - yet is EASY TO DO.

Effect

Imagine removing deck of cards and explaining that you have made a prediction before you left your home. You ask the spectator to name any card. You carefully remove the deck and show one face down card with a different colored back. It is slowly turned over to reveal it is the card named by the spectator! No forcing - it's an absolutely free choice.

Includes thorough, illustrated instructions by World Champion Magician - DARYL giving you all the details!
