Chinese Coin (Yellow - Half Dollar Size) by Royal Magic - Trick

High quality imitation Chinese coins, perfect for all of your routines. Highly-polished finish with raised Chinese characters on one side and an exotic dragon on the other. These are NOT cheaply stamped and painted washers - they're custom-made coins, crafted with the magician in mind.

The same size as a US half dollar, these coins work well for manipulation, matrix routines, Charming Chinese Challenge, Spellbound and Three Fly - nearly any coin effect.
