

Copag 310 Gaff Playing Cards

Here's a great deck of GAFF cards for magicians. These can help you to avoid difficult sleights, having the Gaff do most of the work for you! You can create your own miracles with these!

GAFF: Red Sleeve and TBX and, of course, mixed red and blue cards inside:

- 8 blank faces
- 8 blank backs
- 4 blank cards
- 5 split faces
- 2 reveals
- 14 double backers
- 15 double faces

Be creative - you'll find that inventing ways to use even ONE of these Gaff cards could produce an amazing performance!

56 cards that can be used in combination with the core COPAG 310 red and/or blue deck.
