

Ultimate Marked Deck (UMD) Companion Book - Book

The new generation marked deck from Magic Dream

The marked deck that you expected...

"Diabolically hidden and readable in the blink of an eye..."

- **Gaëtan Bloom**

"The game Ultimate is currently the best game scored for the magicians. It manages to be both easy to read and difficult to detect."

- **Darwin Ortiz**

The Ultimate Marked Deck was presented to these guys, whose reputation is well established. They were not able, despite a thorough examination, to detect anything unusual. More interesting: when the secret is revealed, the magicians in question were capable of quickly reading the cards without hesitation.

"This deck is for amateurs and professionals. The professional needs a marked deck easy to read in all conditions. The professional needs efficiency and reliability, the Ultimate Marked Deck is perfect."

- **Bernard BILIS**

Those who have not used the Ultimate Marked Deck probably think it's just another marked deck. Those who have tried it say that this is a step forward.

What they say:

"Out of all the marked decks, the ULTIMATE is by far the best. The reading is immediate, and the system used is very clever. It is the ultimate weapon for magicians, there is no doubt about it."

- **Jean-Jacques SANVERT**

"For me the best marked deck. It is easy to decipher: it is adopted!"

- **Juan Mayoral**

"This deck will change magicians life. Do not buy one, buy TEN"

- **Chris Kenner**

"A product of the highest quality and very useful"

- **Roberto GIOBBE**

"I use it every day now!"

- **Etienne Pradier**

"The best of the best"

- **Jean-Pierre Vallarino**

"This game is not for everyone's hands."

- **Gilbert GROSS First French World Champion of Poker(1988)**
