

NOC Colorgrades - Desert Orange

"Produced in collaboration with the popular NOC playing card franchise founded by magician Alex Pandrea. Colorgrades were designed exclusively for Art of Play and inspired by the natural gradients of a desert sunset. Their innovative packaging incorporates a laser cut box that beautifully frames the shift in color from light to dark.

Included with each deck is a custom Ace of Spades featuring Art of Play's trademark logo, a gaff card for magicians to experiment with, and a hidden message for you to decipher. They are printed by The United States Playing Card Company on our trademark thin-stock preferred by cardists."

- The cards are poker size.
