

SvenPad® Original Pocket Size (Pair) - Trick

This is the ORIGINAL SvenPad® Pocket Size that started the whole thing in 2015!

An instant classic and one of the most beloved in the entire lineup. As secretly used on America's Got Talent and Britain's Got Talent!

Force ANYTHING on ANYONE with ease! Concentrate on your presentation, not your props! Casually show all 50 pages to be different (words, drawings, celebrities, destinations, foods, phone numbers, etc.). Then openly hand the **SvenPad®** to a spectator to secretly peek at just one item. The performer instantly knows exactly what she is thinking.

The **SvenPad® Original Pocket Size** looks like an ordinary white memo pad from your favorite office supply store, but beneath its innocent exterior, discover one of the world's most powerful forcing utility devices. With your **SvenPad®** in hand, you can create hundreds of effects in ANY language. This is the cleanest way to force ANY piece of information (or more) that you choose. It is simple, deceptive and hands-free! There is NEVER any heat on your pad!

You casually show all the pages of a notepad to be different (words, drawings, celebrities, destinations, foods, phone numbers, etc.). Then, you hand the **SvenPad®** to a spectator to secretly peek at just one item. Somehow, the performer INSTANTLY knows exactly what she is thinking. Focus on your effect - not your methods!

Use it to predict a celebrity, create a 'tossed-out deck' style routine with personal information, reveal a PIN number or perform a stunning confabulation routine. The **SvenPad®** removes any risky or impractical methods and allows you to focus on your presentation, safe in the knowledge that the method WILL NEVER let you down.

The **SvenPad® Original Pocket Size** is easy to carry yet plays big, regardless of your specific environment. The multitude of effects possible make it a must-have accessory for any magician and mentalist.

The quality of the **SvenPad®** is exceptional. All the short edges are insanely precision-trimmed to less than 1/45 inch!

Each pad is then hand-inspected and tested before shipment to insure perfection and exact tolerances. It looks oh so innocent - but in performance the pocket size is a killer!

To the naked eye, the difference in page sizes is imperceptible. The pad has been professionally tape bound with glossy card stock front and back and is supplied blank so that you can customize it however you like. Each package comes with full instructions and a phenomenal custom **SvenPad®** routine by the late Bob Cassidy.
