

Modern Flap Card to Box (Blue) by UZ Hsieh

Looks like a camera trick, but it's REAL! A playing card visually turns into a card box - stunning! You can even place cards into the box!

Modern Flap Card to Box is created by UZ Hsieh. The structure of the gimmick is based on Hondo's Modern Flap Card. It gives you a super visual effect to amaze your audience as an opening or ending of your card routine.
