

CYCLIC RING (Black Gimmick and Online Instructions) by Rodrigo Romano - Trick

Mysteries presents **CYCLIC RING** by Rodrigo Romano!

"**CYCLIC RING** is a groundbreaking effect that will make possible what - until now - was impossible."

From the creator of **Vertigo** and **Osmosis** comes **CYCLIC RING**, the most astonishing effect to be done with a ring.

A borrowed ring travels inside a jewelry bag that is under the magician's sock! It literally vanishes and later reappears in this impossible location! Spectators are astounded!

- Borrowed ring
- No duplicate rings
- The magician never puts his hands into his pockets
- No switches
- No pulls or reels
- The spectator's ring genuinely travels inside the jewelry bag

REMEMBER:

- You can do it surrounded
- Perform it in close-up, street magic, parlor or stage
- Reset time, 20 seconds

INCLUDES:

- Kit containing 4 accessories specifically designed for this effect
- Different presentation routines
- Online instructions (English and Spanish)
- BONUS EFFECTS
- Easy to perform
- Ideal for romantic situations
