

Art of Levitation Part 1,2, & 3 by Losander - DVD

A specialist in the field of levitation and inventor of the "Floating Table," Losander has compiled an interesting array of effects with some new ideas. Utilizing a new thread system, Losander shares ideas and insights on the performance of levitation effects for stage and close up. Effects demonstrated in this video include: The Floating Feather, Floating Bubble Through Ring, The Jumping Card, Mystical Fork, Dancing Hanky (self contained and close-up) and a whole segment on bubble Magic. This video has something for everyone!

At last, the Master of Levitation, Losander, brings you the Art of Levitation. Losander has created several new thread systems using elastic thread. With this DVD you will learn how to float and animate light objects.

Some of the effects you will learn are:

- Floating bill based on a new thread system
- Perfect Balance teaches you how to animate a business card
- Dancing Wand, Losander also shows you how to build your own Wand
- Genii in the Bottle -Shoot over a banknote -Self contained Dancing Handkerchief Routine
- New Levitation system for Bubbles Special features include Losander's famous version of The Zombie, based on a new designed gimmick.

Enjoy the Art of Levitation Part 1, 2 and 3 DVD Set! A Must Have DVD for your magic collection.
