

Sun Smoke with Vanisher (Gimmicks and Online Instructions) - Trick

Now, anyone can show off a magical Silk to Smoke effect by pressing one button on the **Smoke Vanisher**.

Also, there is much versatility programmed into this device for your every performing need! You can choose vanisher mode (no smoke), or vanish + smoke mode, using a mode switch. Performers can use this product in many different ways, depending on your act.

Add smoke into your show to enhance your audience's amazement!
