## Card Holder - Single Compartment

This simple card holder, is useful for carefully storing special cards, key cards, gimmick cards or more simply to neatly and safely hold your favorite "packet trick".

- Perfect for poker size cards. It can comfortably hold up to 8 cards.
- The card holder, in soft black plastic material, measures $\mathrm{cm} 7,2(2,83$ " $) \times 8,8$ (3,46").
- Once inside the card holder, the cards protrude from it for about 2 mm , this way it is easier to take them out when needed.
