

THE REGAL COP WALLET by David Regal - Loading Wallet

What is the smoothest loading wallet possible?

A wallet you don't load.

The Regal Cop Wallet was built from the ground-up with exacting precision and attention to detail. The basic workings are described in Regal's best-selling book *Interpreting Magic*, but David decided to manufacture a perfect version. A wallet fashioned and finished to meet one goal: Be the best wallet with which to perform the effect *Card to Wallet*.

No extraneous actions, no tell-tale sensation of loading.

Crafted from supple black leather, every element of the wallet has been attended to in order to produce an extraordinary tool with which to complement your card work. From the lining, to the polishing of "special elements," to the silver zipper pull selected for visibility, this is a wallet that incorporates multiple facets that, together, make for a dependable, deeply deceptive moment of magic.

It's always ready to go.

As the name implies, **The Regal Cop Wallet** is gimmicked in such a way as to be a perfect complement to the removal of a card from the deck via the *Gambler's Cop*. If you do not currently perform the *Gambler's Cop*, not to worry - David thoroughly explains how to execute the sleight in the video instructions, and it is a move you will use for the rest of your life.

And it's a perfect peek wallet.

Best of all, **The Regal Cop Wallet** is currently being made available at a low cost.
