

## Koi V2 Playing Cards by Byron Leung

**KOI Playing Cards** celebrates the Koi fish -- a symbol of luck, prosperity, and good fortune in Japan.

The beautiful, eye-catching back design poses two Koi fish in a circular, swimming motion with metallic gold as they glitter against the stark white background. The smooth, even feel of the cards are inspired by the scales of these majestic fish.

In Japanese, *koi* is a homophone for another word that means "affection" or "love", so koi are also symbols of love and friendship in Japan.

Includes 2 custom Koi Jokers and 2 gaffed cards.
