

Star Wars Light Side Silver Edition Playing Cards (White) by Theory11 - Pokerdeck

The Light Side

Join Jedi Knights, climb aboard the Millennium Falcon, and become a Rebel or Resistance hero. The LightSide deck features Luke Skywalker's lightsaber, R2-D2, and fighters from the Rebel fleet. "May the Force be with you."

Light Side - The Box

Embossed and foil stamped

The outer packaging is breathtaking, with striking, vibrant silver foil - mixed with clear, reflective foil that creates the illusion of the Millennium Falcon cockpit window.

Inside The Light Side

All custom court cards

Both decks have the same set of 12 court cards, with iconic light side and dark side characters. Each card features detailed depictions of these iconic characters. On the light side: Rey, Leia Organa, Han Solo, LukeSkywalker, and more.

The Back Design

Loaded with Light Side Details

Across the white back design, catch countless details - from the top of R2-D2 to the Rebel Alliance symbol. In the center, a repeating pattern of X-wing starfighters supports two lightsabers on each side edge.
