

MAJESTY Red (Gimmick and Online Instructions) by Sebastien Calbry

This time around the Queens will be under the spotlights for Sebastien Calbry's latest magical creation.

Majesty is a complete set which is going to allow you to perform 3 different routines using the exact same cards.

Ultra visual effects that you'll be able to simply get out of your pocket at any time thus providing you with a real comfort during your shows and performances.

A few different methods including different techniques will be proposed.

From beginner to professional levels, you'll find for each skill level a suitable method to adapt with different moves from simple to highly evolved.

The revelation: instantly transform 4 different backs into 4 Queens moving from card to card!

The passage: a Queen is going to appear and travel from 1 side to the other!

The choice: a Queen is chosen by the spectator and is going to visually appear instantly among the 4 backs!Extremely visual flash effects that you'll be able to perform anywhere at anytime.

Ready to use.

1 gimmick

3 routines

Explanations in French and English.
