

STACKED (Gimmicks and Online Instructions) by Christopher Dearman and Uday

There's not much people get excited over more than money! Not just money, but STACKS of it!

STACKED is the ultimate in money magic.

EFFECT:

Imagine you take a pack of cards from the box, and while holding the cards you pass your finger through the deck asking someone to stay stop.

They remember the card they stopped at, and then you attempt read their mind.

You look them in the eyes and tell them the EXACT card they were thinking of!

Their mind is blown and you look like the world's great magician...

Just then you remind them, this is why you get paid the big bucks!

In a FLASH the ENTIRE deck of cards turns into a fat stack of 100, 50 & 20 bills!

You can spread the bills to show BOTH SIDES!

There is nothing to see except cold hard cash!

STACKED is super easy to perform.

It is self-working and very easy to learn. **STACKED** comes complete with online video tutorial.

Comes complete and ready to go!
