

Invisibag (Red) by Joao Miranda and Rafael Baltresca

From the creative minds of Rafael Baltresca and João Miranda comes a specially designed bag that allow the performer to vanish a borrowed object and make it reappear anywhere!

invisiBag is VERY easy to perform with right out of the box and will certainly BOOST your creativity to the next level!

To get you started we teach you two complete and professional routines using **invisiBag** and a borrowed object.

invisiBag is destined to become a classic in magic and its available in either red and black colors.
