

## Paul Harris Presents **AVALANCHE Red (Gimmick and Online Instructions)** by Paul Harris

*"This is the best blank deck routine I've seen - the reactions I've been getting from **AVALANCHE** are some of the strongest I've ever had!"*

- Paul Romhany

Paul's JOYOUS new EXAMINABLE Gimmicked Card Case starts off with...

### **THE AVALANCHE BLIZZARD**

Instantly transform your cards into an examinable BLANK DECK... with NO DECK SWITCH!

EVERY pro we've shown this to has replaced their old Blizzard with **AVALANCHE**... as it's the easiest, most convenient, most direct Blizzard effect you can do.

(We even give you a full deck of blank cards!)

And there's even MORE SECRETS buried in your **AVALANCHE**...

WITH A NORMAL DECK!

### **THE AVALANCHE PERFECT FORCE:**

Do an absolutely perfect worry-free force... with the deck held by the spectator! She just hands you ANY card from the normal deck... and the deed is done.

### **THE AVALANCHE REAL-DEAL VANISH:**

Drop the spectator's card onto the deck... and the card is instantly gone! It's really genuinely completely freaking no longer in the deck... which can be immediately examined.

### **THE AVALANCHE NO-PALM CARD TO ANYWHERE:**

After you've vanished her card... the spectator SCREAMS... when she discovers her card in her pocket or under a phone!

## THE AVALANCHE SUPER EASY CARD SWITCH:

No double lifts, no palming, no extra anything. Simple display the card... drop it onto her hand... and now it's a different card!

\* The **AVALANCHE Gimmick** is completely self-contained inside the card case... which can be fully examined inside and out when in the "locked" position.

\* Use the **AVALANCHE** case as your normal everyday card case. It looks and feels like a normal case. No reset needed... so it's always ready to Astonish.

\* No extra bits or pieces to add or ditch. It's all secretly built into your **AVALANCHE** case.

No card skills required. Anyone can learn to **AVALANCHE** in under 3 minutes!

**AVALANCHE:** Complete with self-contained examinable card case, tutorial download and a full deck of blank face "Blizzard" cards.
