

Hinode Playing Cards - Pokerdeck

Used in Japan as a symbol of tradition and good fortune, the rising sun symbol inspired the backs of the **Hinode Playing Cards**.

The red disc symbolizes the rising sun, with the red lines as light rays emanating from it. This iconic pattern is repeated on the Ace of Spades.

Similar to the Siemens star, **Hinode Playing Cards** creates a beautiful optical blur, captivating the spectator --making these cards perfect for cardistry and magic.
