

Cherry Casino - Flamingo Quartz Pink - Pokerdeck

The Cherry Casino Playing Card line is a tribute to the rebels, the innovators and ANYONE who knows what they want.

Cherry Casino Flamingo Quartz (Pink) Playing Cards are a beautiful addition to any cardist, magician or gambler's collection. The indescribable metallic mauve pink, is nostalgic of the 50's; yet perfectly modern as it plays off the iconic red cherry back design.

Flamingos are known around the world symboling luxury, grace and confidence. Whether you are on the casino floor, or front of an audience of thousands; with **Cherry Casino Flamingo Quartz (Pink) Playing Cards** in hand, you feel calm. READY.

Every calculated move is smooth, elegant...easy...with the thin but snappy crushed Bee stock from U.S. Playing Card Company.
